ACADEMICS

ACADEMIC ALL-AMERICANS

The Charlotte Athletics Department has eclipsed the 3.0 collective GPA mark for eight straight years

Since the opening of the AAC in 2003, Charlotte has registered 29 Academic All-Americans

ACADEMIC ALL-AMERICANS

Charlotte Student-Athletes set a school record by donating over 2,600 hours of community service to over 80 agencies last year, totaling over 17,000 hours to the community over the last seven combined years

The Athletic Academic Center opened in 2003 at the Miltimore-Wallis Athletic Training and Academic Center. The AAC provides support services designed to meet the unique needs of student-athletes and ensure they are in compliance with university, conference and NCAA academic regulations. These services include orientation, study hall, tutoring, grade monitoring, academic advising and registration assistance. The AAC also administers the Life Skills program and coordinates the department's community service projects.

A second AAC office, within the Judy W. Rose Football Center (adjacent to Jerry Richardson Stadium) opened in the fall of 2012 to accommodate the addition of football. The dual centers serve all varsity student-athletes.

Head Coach Kevin Langan sat down with the Charlotte 49ers athletic media relations staff to discuss his goals, thoughts, and outlook for the 2014 season.

I know you always want to look forward but just capsule a little bit of the group that graduated last year (Thomas Allen, Klay Davis, Tyler Gibson, Aidan Kirkbride, Will Mayhew and Anthony Perez) and what they meant to the program? *We graduated some fine young men. They had stellar careers here and they really set the standard of what we expect. They left the program certainly in better hands than when they found it. Last year's seniors won three conference championships, made the NCAA Tournament three of the four years and obviously had that great run in 2011 to the College Cup Championship game. The challenge now is for the new group of players and the players who played with them is to take the program on to bigger and better things. They left behind a fantastic legacy; a legacy of a strong work ethic, blue-collar togetherness and pride in wearing the Charlotte Jersey and we thank them for that.*

The 49ers captured the 2013 Conference USA Tournament title.

regular season or the championship in this conference truly deserves it. That is what we are aiming for.

What are your thoughts on the schedule? I know we play six teams that made the NCAA's last year but there are four or five teams beyond that who normally are regular NCAA tournament teams so you could say we almost played double figure NCAA tournament teams this year so what is your thought on our schedule? *Every year we set our schedule up to play the best teams in the region and the nation. Last year's schedule, I believe, was top 10 in the country and this year's schedule won't be far behind*

Junior defender Biko Bradnock-Brennan has been a mainstay on the 49ers defense the last two years.

I know we graduated a couple standout defenders, Anthony Perez and Thomas Allen, but we return several standouts in David Mayer, Biko Bradnock-Brennan and Luke Waechter. What are your thoughts on the defenders? *We return Luke Waechter, who earned All-Conference USA freshmen team honors last season. He had a wonderful first season for us. He has really matured and physically developed well. Luke can play either center left back or left back. He has put himself in the position as one of the leaders in our locker room. He will play alongside Biko Bradnock-Brennan. We have spent the last two years with Biko training and defining what it means to be a center back. This spring, to me, is when he looked like he got it and completely understands what it means to be a dominant formidable center back. Also returning is David Mayer. David is another player who had a phenomenal spring and he is leader in the locker room. David can play several positions, left back, left midfield or center midfield. We also return redshirt junior Nick Barnhorst. He's played a lot of soccer over the last two years, while he's not perhaps been a starter every game but he has a lot of experience. He truly embraces being in the program and what is required of a Charlotte player. Ryan Enriquez, who redshirted last year, is physically a lot stronger. We are looking forward to seeing how Ryan develops this year. Matej Dekovic, another left side defender, comes to us from Croatia. He had a wonderful youth career in Croatia, playing in the top league over there. He comes to Charlotte with good experience. Malcolm Stewart, who is from the Atlanta area and a U-18 Jamaican national team player, joins the program. He's a phenomenal athlete, a big presence, who can also play well with his feet. When you watch him play, you can see he will assimilate to college soccer well. Another newcomer is Jared Kent, who has played very high-level club soccer in Charlotte. Jared is a 6-foot-5 center back, a very dominant player, very strong in the air and on the ground. He's in a similar vein to former 49ers standout defender Thomas Allen. Newcomer Sean Bowman, who is from the Raleigh area, is a right sided defender who is very powerful and dynamic.*

Your overall thoughts or expectations on the season or goals.

The goals we have on the locker room walls are clear. We want to be an Elite Eight team every season and we want to be Conference USA Champions. We have fell a bit short these past two seasons despite some wonderful achievements. The guys who are returning have a real appetite to come back and do even better this year.

I know we were Atlantic 10 defending champs for several years but now we are the defending Conference USA champs. Is the mindset a little different this year? *Our motivation will not necessarily be to defend the title but to pursue another title. You want to look forward. If what you did yesterday still looks big to you, then you haven't done much today. We have to really attack it and go after it again. Other teams might be slightly more motivated to play us but our challenge is to get up to play every team. We're excited, it's a wonderful conference. We get to play great teams with great facilities. The team that wins either the*

Let's look at our goalkeepers. It will be different this year without four year starter, Klay Davis, but we've returned some guys with experience. What is your thought on that group? *We knew that last year's senior class was a big group that we were going to lose so we really worked hard these last two years to overlap players in our program. Austin Pack has been waiting patiently for his time to play and he has worked extremely hard these past two years. Perhaps, he didn't get the rewards he deserved before now because Klay was experienced and already established. Austin is a wonderful goalkeeper, an extremely good shot stopper with a wonderful presence. He's worked tirelessly since he has been at Charlotte. Alongside him, you have Nick Hensley who has embraced what we are trying to do here at Charlotte. He's fitter than ever before, he's motivated and he has worked extremely hard all summer. We also have Justin Savinon who redshirted last year. He is an incredible athlete, a wonderful shot stopper, who has huge range to claim crosses. We are in a good situation, although Klay Davis graduated, all three of these players had phenomenal springs. We only conceded two goals in seven games and both of those were to a professional team. Banks Fisher also joins us. Banks has a wonderful attitude and mindset and we are looking forward to watching him develop over the next few years. At this time, I'm not sure who will be our number one goalkeeper but who ever it is will really earn it and deserve it.*

Now the defenders. They've been the mainstay of our program for decades honestly. We've had high level players at that position. I

Redshirt sophomore defender Luke Waechter earned C-USA All-Freshman team honors last season.

Sophomore midfielder Brandt Bronico earned Conference USA All-Freshman team honors last season.

playing high youth level in England. Mark has very good poise on the ball and displays natural leadership qualities. Zhuvonte Wilson graduated high school early so he joined our team last spring. He had a great spring season for us. He came in really earned respect from the whole team in the first week with his fitness levels. He was one of the fittest and fastest players on the team. Zhuvonte has wonderful technical ability and is an outstanding one v. one dribbler with the ball; he is also a very good finisher in front of goal. Newcomer Daniel Bruce, who is a similar player to Dominic and Brandt, is another skilled attacking midfielder. He is a good driving with the ball and is quick. Newcomer John Nartowicz is a central midfielder with a big presence. John is another technical player, who is good on the ball and can pass the ball off his right and left foot. He is able to switch the point of attack. Robby Thomas will redshirt this season due to a knee injury.

Giuseppe Gentile has moved onto professional soccer. However, Kyle Parker, who shared the Conference USA Golden Boot Award, returns to anchor the 49ers forwards. Your thoughts on the forwards? We return Kyle Parker, who was our leading goal scorer and shared Conference USA's Golden Boot award last season as the league's leading goal scorer. He had an incredible sophomore season. Kyle is a great finisher and he is very good in the air. It has been great to watch his evolution as a player. When he came to us, he saw himself more as an assist and a link player. However he has now embraced the role of being the main goal scorer. Hans Honer played good minutes for us in the fall. He forced his way in the lineup as the season went on by his consistent training. He is a very consistent player. Hans is a very good hold up striker for us, brings people into play, and draws the game forward very well. He is also very good on crosses and picking up scraps in the box. Monbo Bokar didn't get to play as many minutes as he would have liked last year, behind Giuseppe Gentile and Kyle Parker. He had a great spring season and was our leading goal scorer in the spring. He has really worked on his signature finishes in front of the goal. He's very clear and focused with his mind in what he's going to do with the ball and that has really helped him out a lot. We're excited for Monbo, he's been training very hard, he's super excited for the fall and I'm sure if he gets that first one to go in then there will be no stopping him. Also, we are bringing in Harrison Steadman, who is a big, powerful center forward. In the same style as Giuseppe Gentile, he is able to hold the ball up but also run in behind

defenders. He is also a very composed finisher. Dean Rutherford is also joining us. He is what you call a fox in the box in England! He comes to life in the opponent's box. The closer he is to goal, the more alert he becomes.

If somebody has never been to a Charlotte soccer game or Charlotte soccer, what would you tell them that Charlotte 49ers soccer is? There are lots of different parts to it. Firstly we play at an incredible venue, Transamerica Field. The stadium holds 4,000 and we're among the top teams in the nation with regards to attendance. We have very vocal fans and great student support as the Queen City Army and Niner Nation come out in great numbers to cheer us on. With regards to playing style we aim to dominate our opponent in terms of possession and territory. We want to be the aggressor who plays on the front foot. We play a high tempo passing and pressing game that is based around the collect effort of the team. This normally results in lots of excitement and lots of activity around the goal. Hopefully we are a team the University and local community can feel really proud of and inspired by.

Last season, junior forward Kyle Parker earned the Conference USA Golden Boot award after scoring 11 goals.

The 49ers ranked 12th in the nation in attendance last season.

HEAD COACH

3rd Season as Head Coach

6th Season on the 49ers staff

(University of Bath, 2004)

Record at Charlotte: 27-10-6

Career Record: 27-10-6

Career Conference Record: 11-4-3

Kevin Langan became the seventh coach in the 36-year history of the 49ers men's soccer program, January 3, 2012. Langan, who was Charlotte's associate head coach prior to becoming head coach, has been a member of the 49ers coaching staff for the last five seasons.

In his first season as head coach of the 49ers, he guided Charlotte to the most successful season by a first-year head coach in the program's history. In 2012, Langan guided the 49ers to 15 wins, an Atlantic 10 regular-season title, an appearance in the second-round of the NCAA Tournament before losing to the eventual runners-up Georgetown, and a national ranking the entire season. In 2012, the team posted the second-best defensive record in the program's history and celebrated two NSCAA Scholar All-Americans (Tyler Gibson and Donnie Smith). He also became the first coach in the program's history to start their career undefeated after seven games. In addition, two 49ers (Donnie Smith and Jennings Rex) were drafted by the MLS in his first year.

In his second season as head coach of the 49ers, he guided Charlotte to a Conference USA Tournament title, a national seed in the NCAA Tournament and a national ranking for the majority of the season. In 2013, two 49ers earned national academic honors as Tyler Gibson was named a CoSIDA Capital One Academic All-American and Aidan Kirkbride earned NSCAA Scholar All-American honors.

As a member of the coaching staff since 2009, Langan played an integral role in helping the 49ers reach the College Cup Finals in 2011. During his five years as a member of the 49ers coaching staff, Charlotte has won 67 games, reached a College Cup Championship game, captured two Atlantic 10 regular-season titles and a Conference USA Tournament title and made four NCAA Tournament appearances.

In 2009, as an assistant coach at Charlotte, the 49ers made their first appearance in the NCAA Tournament since 1997. DAVID SCHLEE MEMORIAL AWARD

David Schlee was Charlotte's first-ever four-year letter winner, a key figure in Charlotte's rapid soccer development. From the initial year that the 49ers fielded a team (1976), when the program struggled to a 3-10 record, to the year he graduated (1979) and helped the Mean Green post a 16-7-1 record, Schlee was always ready to go, ready to make the extra tackle or extra run. The soccer program is earning national attention and Schlee's a winner who will be remembered as a dedicated individual who helped lay the groundwork for the 49ers' success.

Schlee was tragically killed in a motorcycle accident on the eve of the 1980 Sun Belt Conference Tournament. An annual memorial award in his name has been established, thanks primarily to former Athletic Foundation Board of Directors' member Dick Dunn and his son, David, a three-year letterwinner. An award is presented at the end of each year to the 49er soccer player that best exemplifies David Schlee's desire to succeed.

The league has transformed through its two decades, but the commitment to excellence, integrity, leadership and its student athletes in athletics, academics and community is unwavering.

Conference USA enjoys a far-reaching fan base with its 14 members: Charlotte, FIU, Florida Atlantic, Louisiana Tech, Marshall, Middle Tennessee, North Texas, Old Dominion, Rice, Southern Miss, UAB, UTEP, UTSA and WKU.

Since beginning competition in 1995, Conference USA teams have combined for 83 bowl appearances in football, 100 NCAA Tournament appearances in basketball including three Final Fours, 60 NCAA baseball appearances including six College World Series berths, 71 NCAA soccer tournament appearances including four trips to the College Cup, and 35 individual national champions in track and field and cross country.

Success is not limited to athletic achievement, however, as 186 Conference USA student-athletes have garnered Academic All-America honors, 651 have achieved academic all-district laurels and thousands of student-athletes have earned their college degrees.

DR. PHILIP DUBOIS

UNIVERSITY CHANCELLOR
9 YEARS, 2005-06 - PRESENT

A native of Oakland, Calif., Philip L. Dubois attended the University of California, Davis, where he graduated in 1972 with highest honors with an undergraduate degree in political science, including election to Phi Beta Kappa. He then earned master's (1974) and doctoral (1978) degrees in the field from the University of Wisconsin-Madison.

Dubois began his academic career in 1976 at the University of California, Davis. Over the next 15 years, he rose through the faculty and administrative ranks to full professor and held various administrative posts, including associate vice chancellor for academic affairs. In 1991, Dubois was recruited to UNC Charlotte, where he spent the next six and a half years as provost and vice chancellor for academic affairs. Under his leadership, UNC Charlotte opened its first classroom facility in Uptown Charlotte and launched its first doctoral programs.

In 1997, Dubois was named president of the University of Wyoming. In that role, he led the development and implementation of comprehensive academic, support services, and capital construction plans for Wyoming's only university. Private contributions to the institution more than quadrupled during his tenure.

He was honored in 2004 by the Council for Advancement and Support of Education (CASE) with its District VI Chief Executive Leadership Award.

On March 18, 2005, Dubois was named UNC Charlotte's fourth chancellor, and he assumed that role on July 15. As the University's leader, Dubois has focused his efforts on building UNC Charlotte's visibility and support in the greater Charlotte region; has led long-range planning to accommodate expected enrollment of 35,000 students; has championed a number of key capital construction projects, including completion of EPIC and UNC Charlotte Center City, located in the heart of the Queen City; has improved the efficiency and effectiveness of critical business processes; and has implemented an intercollegiate football program starting fall 2013.

Dr. Dubois and his wife, Lisa Lewis Dubois, have three adult children: Logan, Taylor, and Ali. They are the first family to occupy the chancellor's official campus residence, Bissell House.

JUDY ROSE

DIRECTOR OF ATHLETICS
24 YEARS AS AD
39 YEARS OVERALL

1991-2014: Director of Athletics
 1985-90: Associate Director of Athletics
 1981-85: Assistant Director of Athletics
 1976-82: Women's Basketball Coach

Charlotte 49ers Director of Athletics Judy Rose is one of the most successful and well-respected Athletics Directors in the nation. She was one of five finalists for the 2013 Sports Business Journal's Athletic Director of the Year Award.

At the time of her appointment in 1990, she was just the third female to be put in charge of a Division I program. In 1999-2000, she became the first female to serve on the NCAA Division I Men's Basketball Committee. She served a five-year term (2000-2004) on that committee. She also completed a term as 2003-04 President of the National Association of College Directors of Athletics (NACDA) and was one of less than 70 university presidents and athletics administrators invited to NCAA President Mark Emmert's Summer 2011 Retreat.

Chief among her accomplishments with the university is the systematic growth of the 49ers program. That growth culminated with the unveiling of the Charlotte 49ers football program in 2013 that began as an FCS Independent and was fast-tracked to land in the FBS Conference USA in 2015. The football fieldhouse was named by donor Dale Halton in her honor: Judy W. Rose Football Center

With the 49ers, she has overseen the 49ers moves from the Sun Belt Conference to the Metro Conference to Conference USA to the Atlantic 10 and back to FBS C-USA in 2013-14. She has overseen the 49ers growth into a program that is fully-funded at the NCAA level for athletic scholarships. She has helped develop nearly \$100 million worth of athletic facilities which have enhanced playing venues, academic services, strength and conditioning programs and training and medical support to improve the experience of each and every student-athlete.

She is instrumental in attracting national sporting events to Charlotte such as the 1994 Men's Basketball Final Four, the 1996 Women's Basketball Final Four, the 1999 and 2000 Men's Soccer College Cups as well as a variety of NCAA Men's Basketball tournament rounds, including the upcoming 2015 NCAA Men's Basketball 2nd and 3rd rounds.

The 49ers have enjoyed similar success in competition and the classroom. Since Rose became A.D., 14 of the school's 16 athletic programs have either won a league title or been represented in NCAA play, or both. Prior to her stint as A.D., only two programs touted such success. Meanwhile, the athletic department now boasts a cumulative GPA of over 3.0 -- and has for 16 straight semesters.

Along the way, Rose has reaped her share of awards, for professional success, contributions to the community and leadership. In June 2013 she earned the Business Journal's Lifetime Achievement Award at the Annual Women in Business Luncheon and was named to the Business Journal's Women in Business Class of 2013.

CHARLOTTE

Charlotte was incorporated in 1768, named in honor of the wife of King George III, the reigning English monarch. Even though the residents disagreed with laws set forth by Britain, naming the town Charlotte was in hopes to win favor with the King.
